**Chairman’s Report for 2019 – 2021:** see attached report

The last year has been an unusual time which has presented everyone with unimaginable challenges and confinement and as a result the Council has had little opportunity to work as normal. Other than the occasional planning application, monthly meetings were held remotely in a way that none of us could have imagined or anticipated ...the Zoom Meeting. This method of remote online communication has since become an integral part of our lives.

The Councillors have continued to support the various areas of responsibility they hold...by Zoom. District Councillors and our County Councillor have continued to attend Hamfallow PC Meetings by Zoom. External meetings of Parish and Town Councils have been held and attended by Zoom.

It was not possible to hold our Annual Meeting last year even on Zoom and the May Parish Council meeting hopefully will be the final one to be held in this format.

We received one Parish Councillor resignation from Maureen McIntyre. Maureen left the Council after many years’ service and dedication and she has been replaced by Phil King who joined Hamfallow PC a few months ago...welcome Phil. One vacancy remains available.

Thank you all for your continued commitment and support to Hamfallow Parish Council, it is greatly appreciated. Also, our thanks to Caroline for her continuing hard

work on our behalf throughout the year...we would be lost without you!

**Any other matters raised by Electors at the chairman's discretion – none**
